We are acting in accordance with Brown University's measurements to mitigate the spread of COVID-19 in the community and as such we highly recommend visiting Brown's website on 2019 Novel Coronavirus (COVID-19) for the latest updates:

Maintaining a Healthy Environment

Along with our regular cleaning and sanitation of the Bookstore, we have elevated cleaning expectations following the recommendations of the CDC (Center for Disease Control and Prevention), as well as local health organizations. These measures include, but are not limited to, implementing additional hand sanitizing stations, consistent sanitization of registers, and continuing to mandate proper hygiene practices.

Find out how you can help keep yourself and others safe, as well as help slow the spread of coronavirus, by visiting the CDC's website:
